

Watt City for schools – SKO 2.0 by PKO

Gamified financial literacy for grades 5-8, aligned with the Polish national curriculum.

Engagement

15+ one-minute games, daily AI challenges, weekly league. Kids return from habit, not homework.

Learning

Budgeting, credit, APR, investing. Every game mapped to a specific curriculum code.

Compliance

GDPR-K + UODO + KNF disclaimers. EU-only hosting. No data sold.

CURRICULUM ALIGNMENT

Ekonomia: **0** codes

Matematyka: **6** codes

WOS: **14** codes

EDB: **5** codes

Informatyka: **2** codes

Total: 27 mapped curriculum codes across grades 5-8 (Economics, Maths, Civics, Safety, IT).

COMPLIANCE AT A GLANCE

GDPR-K: parental consent for under-16 users (automated flow).

UODO: Polish supervisory authority – DPO contact in-app.

KNF disclaimers on every loan surface.

EU hosting: Upstash Frankfurt + Vercel EU. No PII leaves the EU.

Fully auditable: ledger for every in-game currency transaction.

TEACHER TOOLKIT

- Class dashboard with students and progress.
- Weekly PDF report for principals and parents (one click).
- Weekly theme picker aligned to the national curriculum.
- Parent observer dashboard.
- Privacy controls: the student chooses what to share.
- Classroom mode: no bankruptcy, no pay-to-win.

PRICING

Pilot: free for the first 10 schools with full onboarding. Long-term goal: bundled with PKO SKO for every student with a PKO Junior account.
